Writing
Directing
Production Design
Concept Design
Colour Grading
Davinci Resolve

Objective

I am a filmmaker specialised in writing, directing and production design. I have written and co-directed a short film, and have worked in the art department on two short films. I am also adept at colour grading and have undertaken that role on multiple films

Experience

July 2022 – January 2023

Writer/Co-Director • *Afsana* (Short Film)

Feb 2023 – April 2023

Sound Recordist/Editor/Colourist • *Recollection* (Short Film)

April 2023

Colourist • *Akelarre* (Short Film)

November 2023 – April 2024

Production Designer/Colourist • *ATTU* (Short Film)

November 2023 – March 2024

Art Director • *The Devil's Eye* (Short Film)

April – May 2024

Set Dresser • *The Linen Room* (Installation)

Communication

Having worked in various fields, I have gained a huge understanding on the importance of good and effective communication, and so I have carried that with me on every film I am on and have ensured that I have been communicating well with others, and they are communicating well with me

Leadership

I have co-directed a short film, and have been the head of the art department on another, which has taught me so much about how to lead a crew.
