Summary

I am a proficient photographer and videographer with over 6 years of experience, having worked freelance with many clients such as bands and brands over the years, in order to develop a well grounded portfolio of work. Having finished University recently, where I studied Media Production, I am now looking for practical work where I can further extend material for my portfolio, and an environment in which I can also apply the skills which have helped me get to my current stage, whilst also learning even more to better my work and experience.

Work experience

Freelance -

Photographer, videographer and editor

- Record, produce and direct promotional videos and photos for artists and bands local to Birmingham as part of promotional material. (see Instagram portfolio)
- Storyboard, produce, film and edit music video for band FLESH CREEP, within a time limit ready to be published. (Has yet to be released)
- Record, take photos and edit promotional video for jewellery company, Affinity and Co, based in Jewellery Quarter. This resulted in my photographic material being published in the Birmingham Mail, as well as the video published on the company website. (see link below)
- Storyboard, film and edit a promotional video for local clothing brand Bene Culture.

Equipment

- Canon M50 mirrorless camera
- Feiyutech AK2000 gimbal stabilizer
- Variety of lenses (55-250mm, 55mm, 10-18mm, 15-45mm)
- ZOOM H1N portable audio recorder

Hobbies

Due to Media being my passion, I enjoy all aspects of it therefore I always strive to create any kind of creative content in order to constantly better myself. Outside of Media, I enjoy recording music and playing instruments such as the guitar, bass and drums, which has allowed me to be part of a numerous bands that have played around the UK.
