### **Volunteering**

#### **Amblecote Christian Centre**

(1 week, summer 2022, 2021, 2019, 2018, 2017)

A young person's social action summer week. Involving a variety of community-based activities including work with children, the elderly, supporting those with disabilities. Painting community buildings and areas and gardening for those who are unable to do their own.

#### **Hawbush Community Gardens 2017 – 2023**

I have volunteered to help during the summer with their children's work, summer provision. This involves supporting them and doing fun activities as well as providing lunch for children who would usually get free school meals. This program means they get a meal and time in a safe place.

#### **Duke of Edinburgh Bronze Award 2019-2020**

Throughout the year I volunteered at Black Country Foodbank in the main storehouse and have been out on collections with staff members. Duties included: Making up packs for the homeless, stock rotation, dating and getting orders ready for center deliveries.

### **Peer mentoring**

During secondary school I took part in a peer mentoring program that taught me to look after others and how to approach a situation where I would need to emotionally support someone.

### **Young leaders' program**

I took part in a yearlong program in which I learned how to become a dynamic and confident leader. I had a mentor and went on a weekend retreat with the other participants. I took part in leading games nights and relational sessions at events as well as becoming a small group leader for the summer social action week and leading morning devotions which involved making sure my group were okay and helping them where necessary.

### **New wine united festival**

At this festival I took part in the 8-11s where I had to look after 32 children that were in my group teaching them and keeping them engaged with the main session.

### **Skills**

Competent in sewing  
Currently learning to drive.  
Confidently apply and style wigs.  
Basic stage makeup  
Face painting  
Fire Warden  
COSHh awareness  
Manual handling awareness
