Work Experience

Dailies Runner on *Homes Under the Hammer*, *Lion TV* (June 2022 & October 2023) Birmingham & Cannock

- Followed instructions from other crew members and helped by moving and setting up the kit
- Looked after equipment and helped with changing batteries, putting mics on contributors and checking audio levels
- Worked closely with crew and looked after contributors
- Came up with new ideas when issues on the production arose
-

Runner on *Changing Rooms S2*, *Shine TV* (June - July 2022) Coventry, Luton & Wokingham

- Worked as a Location Runner to go on runs for supplies and props during shooting days
- Transported Rushes between location and the drop off point whilst keeping the separate rushes organised during transport and upon delivery
- Worked as a Talent Runner to transport Talent to and from location, as well as providing them with refreshments and assistance
- Assisted the production, design and carpentry teams to help the production run smoothly by following instructions and helping with prop creation and handling
- Kept location clean and tidy, went on coffee runs and took lunch orders
- Used Radio Comms effectively to liaise between the different departments on tasks I was given
- Firstly worked on the production in Coventry and was asked to return for the following locations due to positive opinions of my attitude and work ethic
-

Work Experience Camera Operator/Runner for *Student Music Video* (2021) Stoke-on-Trent

- I worked with fellow students to help film and manage the creation of a music video for a band during University
- Followed instructions given by the director to obtain the content quickly and with good quality in mind

Work Experience Runner on *Nativity! Rocks*, *Mirrorball Productions* (March 2018) Coventry

- Followed instructions and used initiative to help the production team and make things run smoothly
- Used communication to discuss any problems and worked as a team to support others during the production
- Worked closely with the AD Department to aid with management of cast, extras and chaperones

This CV may be kept on file and distributed for employment purposes

- Used Radio Comms effectively when being at different shooting locations or base
- Was added to the production on the last week of filming and had to adapt quickly to new challenges and responsibilities

Employment History

Assistant Manager at *The Cash Monkey* (January 2023 - June 2023) Nottingham

- Worked in a team to serve customers well and assist them with any queries
- Followed instructions from senior colleagues to improve and benefit the business
- Handled large amounts of cash for big transactions

Qualifications

- **(2017-2020) Staffordshire University** Film Production Technology BSc - First Class Honours
