

LOIS ELIZABETH MORRIS

DESIGNER
ART DIRECTOR + STANDBY

PROFILE

I am a uniquely skilled creative with a passion for diverse design. I find it very easy to style various moods and aesthetics to script and when lone designing. I am proficient in Graphic Design using Procreate amongst various design suits. I am also very handy with physical builds, carpentry and 'from scratch' projects. I have great skills and experience working in a diverse team including hearing impaired professionals using sign language.
