## WORK EXPERIENCE

### Sullivan squared

BOA Stage and Screen production academy – July 2023

- In this project I played the lead 'Mean Girl' of a the typical mean girl group at school. This was my first serious role in front of cameras and having the opportunity to portray this role allowed me to gain experience of being in front of the camera and gain more knowledge not just for acting but for the whole production.

### The City Protest

BOA Stage and Screen production academy – April 2024

- This was a One-shot film! For this role played a gossiping barista, This role was challenging as I had to be moving around a lot during my scenes such as making tea and coffee so remembering lines and cues was a good experience.
