ABOUT ME

I am an insightful Performer, with over 15 years of experience in Acting, Singing, Miming and Dance. I've trained with Midland Theatre Ballet (Birmingham), Ballet Theatre UK (Hinckley), Playbox Theatre (Warwick), & Five Star Theatre (Rugby). I have also completed courses in Screen Combat with Stage Fight (UK) and I'm very interested in taking roles that involve high level Action. I'm an intermediate level of RAD Ballet. Along with my physical attributes, my extensive emotional range helps me create outstanding performances. Combining these skills with my conducive attitude and willingness to push my performance boundaries will hopefully take me far.

I have additional experience in Make-up, Hair and Marketing.
