A hardworking, passionate & self-motivated individual with 8 years of experience working freelance in media and events as a photographer, graphic designer, sound engineer and videographer. I aim to progress within the production department of Film or HETV and I'm open to working across a variety of departments on my journey in the hopes that the experience and skills I gather along the way improve my career prospects. I am very detail oriented, technical, proficient, respectful, and work very well with others as well as on my own.

Skills

I'm proficient with software like Microsoft Office, Adobe Master Suite, Pro-tools & Cubase. I'm good with, customer service, communication, creative problem solving, handling petty cash, I have good people skills, good memory recall, possess First Aid training, am very punctual, great at keeping a clean and organised working area. I also have experience with Black Magic, Canon & Sony cameras.
