City, ST 12345

## EXPERTISE SKILL

- camera operation
- Creativity
- Video Editing
- Content Creator
- Marketing

## ABOUT ME

I've always had an interest in film making and while in a specialist college and decided to focus on camera operation, I'm great at following instructions and working as a team while also be able to have a creative input into work.

## WORK EXPERIENCE

ITV studios, the chase | 2022  
*runner*

- helped solve complex issues during production by working with different departments
- shadowed the camera operators
- make sure that all crew was good and ensured that the cast/crew had everything they needed

Young Brum | 2022  
*camera operator*

- helped solve complex issues during production by working with different departments
- shadowed the camera operators
- make sure that all crew was good and ensured that the cast/crew had everything they needed
